BE THE INSPIRATION

Rotary District 6110 Newsletter

Highlights of the November Video Newsletter

- November is Rotary Foundation month. Last year, the foundation received more than \$414 million in contributions. Let's see if Rotary District 6110 can make that an even BIGGER number for 2018. If you didn't schedule a program speaker this month, consider showing a video on the RI Foundation.
- Consider joining the Paul Harris Society. District 6110 has 156 PHS members and our goal is 200.
- Did your club have a successful fundraiser for End Polio Day? If not, consider doing one in the near future. We are now over 25 paralytic cases in Afghanistan and Pakistan.
- Check on the Learning Center on the RI website! You will find a lot of information on Membership, Public Image, Rotary Foundation and more!
- I have visited over 66 clubs at this time. I am so INSPIRED by all of you and all that your clubs do to feed the hungry, provide scholarships to seniors and so much more.
- Congratulations to the Rotary Clubs of Ft. Smith and Pryor for creating new Interact clubs.
- District Conference was a HUGE success! Special thanks to PDG Ron Petersen, PDG John D. Williams and former First Lady Connie Williams,
- Tamara Miller, Donna Petty, Mercedes Abalos, Rachelle Parker, Scott Tatman, Andy Stewart, Wade Robson, Peggy Mitchell, and everyone else for all their hard work.
- Save the Date for 2019 District Conference to be held in Tulsa, OK, September 27-29, 2019.
- RYLA 2018 was held in October and had over 350 students, Chiefs, Chiefs in Training, and Rotarian Volunteers. Special thanks to Matt Hancock, Tracie Dean and everyone else that made the week so special and INSPIRING!
- Have a Happy Thanksgiving!
